STILLWATER COUNTY VOLUNTEER BOARDS AND COMMITTEES

Stillwater County is very fortunate to have caring and interested citizens who volunteer their time to serve on boards, commissions and committees.

There are various groups of interested citizens who meet to discuss County business; they make decisions and/or recommendations to the Board of County Commissioners, which help to shape the County's future and set standards and goals for the community.

The volunteers dedicate much of their time, talent and hard work to their respective boards and committees. Their continued commitment is the reason for the quality of life that is unique to Stillwater County.

Stillwater County publishes, as needed, board vacancies. If you are interested in obtaining an application for appointment, please contact the County Commissioners Office at 322-8010, or visit the county web page at www.stillwater.mt.gov.
